CASA

\* Kilos de plástico utilizados en el packaging de nuestros productos.

## Manterol comprometido con un planeta + sano

Nuestro principal empeño es continuar desarrollando nuevos productos más responsables y sostenibles con el medio ambiente.

Por eso tenemos como objetivo reducir el uso de plástico hasta un 90% en el 2023.

El 10% restante serán estuches reutilizables que puedes volver a usar para guardar nuestras prendas y así conservarlas correctamente, de esta forma alargarás la vida tanto de nuestros productos como de los estuches

## Manterol committed to a + healthy planet

Our main commitment is to continue developing new more responsible and sustainable products with environment.

That is why we aim to reduce the use of plastic up to 90% in 2023.

The remaining 10% will be reusable cases that you can reuse to store our garments and thus preserve them correctly, in this way you will extend the life of both our products such as cases

ECO PACK: Give new life to packaging, fabric cases that you can use as organizers.

ECO PACK: Dale una nueva vida a los envoltorios, estuches de tela que puedes usar como organizadores.

El firme compromiso con la economía circular a través de "la sostenibilidad" y "el respeto al medioambiente" son pilares fundamentales en la creación y desarrollo de nuestros productos. Mantenemos un compromiso con la sociedad para incrementar los productos que engloben las 3 R;

"Reducción" de emisión de CO2 a la atmosfera,  
"Reutilización" de materias primas

"Reciclaje" de materiales empleados en nuestros envases.

The firm commitment to the circular economy through "Sustainability" and "respect for the environment" are pillars fundamental in the creation and development of our products. We maintain a commitment to society to increase products that encompass the 3 Rs;

"Reduction" of CO2 emissions into the atmosphere,  
"Reuse" of raw materials

"Recycling" of materials used in our packaging.

## Js Cotton Deco

A diferencia de las sábanas convencionales deja visible todo el dibujo en la parte superior de la cama. Sus colores y diseños hacen de este producto la mejor opción para decorar tu cama durante los meses de verano.

*Unlike conventional sheets, it leaves the entire drawing visible on the top of the bed. Its colors and designs make this product the best option to decorate your bed during the summer months.*
